

Welcome to 4th Grade with Mrs. Weir!

Welcome to Room 107

I am so excited to be your 4th grade teacher this year! I know that we will have a great time together; building great friendships, exploring new ideas and becoming an awesome team of learners! This will be my fourth year as a classroom teacher at North Sashabaw Elementary. Before that, I was the Reading Support Specialist in our building for four years.

I have been married to Mr. Weir for 27 years. We have two kids, Gabe, who graduated from Clarkston High School and is now attending Kettering University and Leyna, a tenth grader at Clarkston High School. We also have a yorkie-poo, named Coco. I enjoy music, photography, camping and travelling around this great country!
